**About Upgrade:**

What can you learn from the masters of success? Andre Agassi, Nelly Furtado, and Mario Batali to Tony Hsieh, Tory Burch, Richard Illy, Daniel Pink, Zaha Hadid, and Maryland Governor Martin O'Malley - experts, luminaries, and stand-outs in their respective fields – reveal the keys to negotiating the confluence of work, life and play.

Rana Florida shares their formulas, giving you the tools to achieve unimagined success, one small step at a time. *UPGRADE: Taking Your Life from Ordinary to Extraordinary* (September, 2013; Hardcover, $27.00) gathers the best practices not just from CEOs and business executives but from entrepreneurs, innovative thinkers, and creative leaders and presents their philosophies in simple and actionable terms that anyone can put to good effect in their professional or personal lives from day one.

Florida interviewed successes from vastly different backgrounds and skills, and examined a host of other stand-outs in business and in life; her research concluded that there are seven key principles to achieving your business and life goals. *UPGRADE* examines these philosophies for living an Upgraded life, starting with that first great step: Envisioning Your Future.

These seven principles will allow you to immediately step out of the linear path of life and onto an entirely fresh and inspired new path:
• Envision the future
• Find your passion
• Get creative
• Design your time
• Collaborate
• Take risks
• Embrace failure
